2. Directory

Corrections need to be done and it will go out again. We may do it all online next year on the Belltoppto website (www.belltoppto.com). All our forms are online.

3. Authors visit

John Gray is willing to donate his time as an author. The only thing he charges is the book. John donates proceeds of the book to The Hudson Mohawk Humane Society. The book he wrote is about a dog with a disability. Mr. Mahar will look into this. This has a great story to it.

4. Teacher's News

School wide book club (Belltop book club). Mrs. Lussier is reviewing several titles right now. She is trying to find a book that will satisfy all grade levels. Possibly sell popcorn to raise money to purchase books. Scholastic bookfair is in March so we can

use Scholastic book dollars for the book as well. Will decide on book before we go home for winter break.

Mrs. Lussier talked about the Luau at the faculty meeting. The staff will help bring in raffle items. Awesome! We have a retiree contact who might be able to help drum up raffle items and interest in the Luau.

5. Principal's News
